Term expires 1983

REPRESENTATIVE TO THE GENERAL COURT

Daniel A. Eaton

SELECTMEN'S NARRATIVE

This section of the Town Report usually relates the story of things done and projects for the future. Beyond that, we wish to tell the story of those individuals and groups who make the town run.

We are fortunate in having the fine town officers we do have, plus the many unpaid committees, commissions and trustees. They are all named in the front of this report; however, their competence and dedication are not indicated there, so here they are.

Our Tax Collector, Charlotte Pratt; our Town Clerk, Joan Read; and our Treasurer, Joan Zelasny, have surmounted the many obstacles presented by bureaucracy and we feel they are equal to the best in any jurisdiction.

The Planning Board, led by Brian Cartwright, has done yeoman work in studying the needs of the Town and have come up with a set of "soft" zoning regulations which are sorely needed if Stoddard is to retain its image as a vacation and second-home community. We sincerely hope all townspeople recognize that without some sort of zoning plan, the health and beauty of the Town could be lost irretrievably.

The Stoddard Police Department is being asked to answer more calls than ever before. This situation will only worsen until such time as the State Police and Sheriffs Departments have their manpower and finances increased, and we see no sign of such increases on the horizon. In the final analysis, it will cost more in state and county taxes. In the interim, we think local police control is more adequate, more personal and friendly, with quicker responses. We have three state certified police officers at present--Constable Daniel Eaton, and Officers Michael Eaton and Frank Stuckey. These officers are better equipped than many local departments, and attend special training schools as they come up. Their new knowledge and training allow our police officers to prosecute their own cases in court and win! Being residents of the town they police, they know the problems and people better than any outsider, and they are able to respond to local problems with a little better understanding than State Police or Sheriffs.

Our Fire Department is second to none in the line of equipment. Also, under the leadership of Chief Don Fleming and his officers, we have acquired a well-trained group of individuals who are proud of their Department, and are constantly upgrading their skills. All this they do without undue strain on town finances. The Women's Auxiliary has held fund-raising projects in the past and plan to do the same in the future. They all work together!

Since taking over the care and maintenance, winter and summer, of our roads, Land Contractors have carried out their contract with the town with not only an absolute minimum of complaints, but with many compliments.

After much study by an ad hoc committee on solid waste disposal, chaired by Charles Fosberry, and on their recommendation, the Selectmen of the Town of Stoddard have adopted a new system of solid waste disposal. We have leased a compactor on an annual basis. This system requires an attendant to be on duty to operate the compactor.

The system also requires an attendant to supervise stacking of brush and separation of old fixtures, stoves, iceboxes, etc. The site chosen, the Town Barn yard, will be cleared, partially gravel surfaced, and fenced in. Problems with solid waste disposal are causing headaches to town and city officials throughout the State. We feel our new system answers our problems for at least the immediate future, plus we have options for the future.

For these reasons, the site will only be open on Saturdays and Sundays from 9 A.M. to 4 P.M. and anyone depositing garbage or refuse outside these hours will be faced with a State statute requiring a stiff fine.

The Fire Department Rescue Squad, through the efforts of Kathy Fleming, has become an important adjunct to the Fire and Police Departments in emergencies. They, too, are well trained and quick to respond to emergency calls.

The Squad now has six members who are EMT's, Emergency Medical Technicians, and three members who have received advanced first aid training. The Squad and their Fire Department supporters have pulled themselves up by their bootstraps and become a fine emergency rescue unit. They need several more large pieces of emergency equipment, such as jaws of life and airbag "splints", to make them second to none.

Our new Animal Control Officer, Cynthia Bingham, and her assistant, Joan Zelasny, have done a phenomenal job of correcting animal abuse and registering of dogs. We still have a few scoff-laws who will most assuredly face legal action this spring if they don't provide at least rabies vaccination for their dogs.

The Trustees of Trust Funds have handled the town investment fund very well and the return from their investments allows adequate funds to keep up the cemeteries.

The Cemetery Committee, in turn, has carried on the job of repairing Dow Hill or "old" cemetery very well. The Committee has come up with a solid recommendation for sorely needed burial grounds. The Committee has talked to the owners of this property and we hope both parties will come up with an amicable agreement.

The Selectmens' Administrative Assistant, Mary Lou Call, has carried a great share of the load that this new Board of Selectmen faced a year ago. Without her efforts, and particularly her memory, we would have had many, many more work hours added to an already busy schedule.

WELFARE - We recovered over \$5,000. in welfare bills that were mistakenly paid in the past.

INSURANCE - We asked three insurance agencies to give us proposals that covered **all** town needs and the cost of same. The best plan with least cost and most coverage was delivered by Joseph Keating Agency, thereby saving thousands of dollars.

DUMP - After initial costs of preparation and installations are amortized, the site will cost some three thousand dollars less to run than the old system.

COMPUTERIZATION - By computerizing our town tax records, the cost to prepare and send tax bills will be lessened.

ROADS - continue to be a problem. However, we have set up a schedule of repair for main town roads, which will eventually put all roads back in shape, with consequent lower costs of maintenance.

School tuitions and transportation costs, plus ever-increasing County taxes, may offset our savings in other departments.

Finally, we may have better pay schedules than many neighboring towns and we may have better equipment than many neighboring towns but being a leader is not necessarily a bad thing.

**TOWN OF STODDARD
TOWN WARRANT**

The polls will be open from 1:00 P.M. to 7:00 P.M

To the inhabitants of the Town of Stoddard in the County of Cheshire in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Stoddard on Tuesday the Eighth of March next, at one of the clock in the afternoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

You are hereby notified to meet at the Town Hall in said Stoddard in Tuesday, the sixteenth day of March next at 7:00 of the clock in the evening to act upon the following Articles 2 through 30.

2. To see if the Town will vote to raise and appropriate the sum of \$47,266.50 to defray Town charges for the ensuing year.
3. To see if the Town will vote to raise and appropriate the sum of \$15,300.00 for Summer maintenance of Highways and Bridges.
4. To see if the Town will vote to raise and appropriate the sum of \$11,000.00 for the Winter maintenance of Highways and Bridges.
5. To see if the Town will vote to raise and appropriate the sum of \$360.00 for T.R.A., so called.
6. To see if the Town will vote to raise and appropriate the sum of \$300.00 for the maintenance of public landings for the ensuing year.
7. To see if the Town will vote to raise and appropriate the sum of \$9090.00 for the maintenance of the Fire and Rescue Departments for the ensuing year.
8. To see if the Town will authorize the Selectmen to sell the existing mobile radio and to purchase a new portable radio and pocket pager and to raise and appropriate the sum of \$1200.00 for this purpose.
9. To see if the Town will vote to raise and appropriate the sum of \$5300.00 for the maintenance of the Police Department for the ensuing year.
10. To see if the Town will vote to raise and appropriate the sum of \$450.00 for the Animal Control Officers for the ensuing year.
11. To see if the Town will vote to raise and appropriate the sum of \$2000.00 for Street lights for the ensuing year.

12. To see if the Town will vote to raise and appropriate the sum of \$2275.00 for the maintenance of the Public Library for the ensuing year.

13. To see if the Town will vote to raise and appropriate the sum of \$18,100.00 for the maintenance of the Trash Transfer Station for the ensuing year.

14. To see if the Town will vote to authorize the Selectmen to hire a competent person to update the Town Tax Map and to raise the sum of \$2000.00 for this purpose.

15. To see if the Town will vote to raise and appropriate the sum of \$2000.00 to be used as a Capital Reserve Fund for the Fire Department.

16. To see if the Town will vote to authorize the Selectmen and Treasurer to borrow money in anticipation of taxes.

17. To see if the Town will vote to participate and support a regional solution to handling solid waste either by agreeing to accept a land-fill site in the Town, providing cover material from that Town, accepting an alternative operation in the Town, or agreeing to whatever aspect of a regional solid waste operation appears to be sensible to serve the region so that a good cooperative regional solution will be a reality and a commitment until 7/1/84.

18. To see if the Town will vote to raise and appropriate the sum of \$5700.00 to fence in and develop the Solid Waste Transfer Station, known as the Town Barn, and to withdraw this amount from the Revenue Sharing Funds and the balance of \$3751.00 to be applied to the resurfacing of Town Roads. Total amount \$9451.00.

19. To see if the Town will vote to change the classification of the Bailey Road, also known as the Old Stoddard Road, from Route #123 to Nelson Town line from a Class V road to a Class VI road.

20. To see if the Town will vote to raise and appropriate the sum of \$3500.00 for a new water well and plumbing for the Town Hall.

21. To see if the Town will vote to authorize the Board of Selectmen to negotiate a settlement of a petition to quiet title filed in the Cheshire County Superior Court by William Kelly, Sr. and May M. Kelly concerning land on Kings Highway variously known as the Potter "farwell Place", so called, the Potter "Tuttle and Horton land," so-called, and the Baldwin lot; the authority of the Selectmen to include power to convey the Town's interest in the premises at a price determined by the Selectmen to be fair and reasonable, or to negotiate such other settlement of this dispute over the title to this land as the Selectmen, in their discretion, shall deem appropriate and in the best interests of the Town of Stoddard.

22. To see if the Town will vote to raise and appropriate the sum of \$50.00 for the support of the Monadnock Region Association, or take any other action relating thereto.

23. To see if the Town will raise and appropriate the sum of \$600.00 to repair erosion at the old Town Dump site.

24. To see if the Town will donate the land on which the old Stoddard School was located to the Stoddard Congregational Church. The Town of Stoddard to retain water rights thereto.

25a. To see if the Town will vote to have the Appraisal Division of the Department of Revenue Administration conduct a complete revaluation starting in 1985 or thereafter. To establish a Capital Reserve Fund for the purpose of conducting such revaluation and to appoint the Selectmen as agents to administer the Fund.

25b. To see if the Town will vote to raise and appropriate the sum of \$15,000.00 to be placed in the Capital Reserve Fund for revaluation of the Town by the Appraisal Division of the Department of Revenue Administration.

26. To see if the Town will vote to go on record to support of immediate action by the Federal Government to control and reduce acid rain which is harmful to the environment and economy of Stoddard, N.H. and to the health and welfare of the people of Stoddard, N.H.

These actions shall include:

1. Reduce by at least half the major cause of acid rain, sulfur dioxide emissions, by the year 1990.
2. Conclude negotiations with the government of Canada that will commit both nations to this goal. BY PETITION

27. To see if the Town will authorize the Selectmen to rent or lease the old Fire Station Building.

28. To see if the Town will authorize the Selectmen to purchase suitable land for a cemetery and to raise and appropriate the sum of \$7500.00 for this purpose.

29. To see if the Town will adopt the provisions of RSA 72:43-F for the adjusted elderly exemptions for qualified taxpayers. BY PETITION.

30. To transact any other business that may legally come before said meeting.

MARCH 16th, 1982

Art. 2: To see if the Town will vote to raise and appropriate the sum of \$41,540.00 to defray Town charges for the ensuing year. Article accepted.

Art. 6: To see if the Town will vote to raise and appropriate the sum of \$360.00 for T.R.A. so called. Article accepted.

Art. 7: To see if the Town will vote to raise and appropriate the sum of \$300.00 for the maintenance of public landings for the ensuing year. Article accepted.

Art. 9: To see if the Town will vote to raise and appropriate the sum of \$5300.00 for the maintenance of the Police Department for the ensuing year. Article accepted.

Art. 10: To see if the Town will vote to raise and appropriate the sum of \$200.00 for the Animal Control Officer for the ensuing year. Article accepted.

Art. 11: To see if the Town will vote to raise and appropriate the sum of \$2000.00 for street lights for the ensuing year. Article indefinitely postponed. These charges are included in Art. 2.

Art. 12: To see if the Town will vote to raise and appropriate the sum of \$1800.00 for the maintenance of the Public Library for the ensuing year. Article accepted.

Art. 14: To see if the Town will vote to raise and appropriate the sum of \$477.00 as its fair share of the operating costs of the Cheshire Health and Social Services, Inc. Article accepted.

Art. 15: To see if the Town will vote to raise and appropriate the sum of \$238.50 to support the services of the Community Health Clinic of the Monadnock Family and Mental Health Service. Article accepted.

Art. 16: To see if the Town will vote to authorize the Selectmen to hire one competent person to up-date the Town Tax Map and to raise the sum of \$1000.00 for this purpose. Article accepted.

Art. 17: To see if the Town will vote to raise and appropriate the sum of \$430.00 as the Town's share for the studies and operation of the Southwestern New Hampshire Regional Planning Commission. Article accepted.

Art. 18: To see if the Town will vote to raise and appropriate the sum of \$200.00 for Civil Defense. Article accepted.

Art. 26: To see if the Town will vote to authorize the Selectmen to contract for computer services for the maintenance of its tax records as allowed by RSA S-C:11 and to raise and appropriate the sum of \$700.00 for this purpose. Article accepted.

Art. 28: To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes. Article accepted.

Art. 30: To see if the Town will vote to authorize the Selectmen to sell Lot #60, which is owned by the Town, to Highland Lake Shores Association for the amount of accumulated taxes and interest thereon. Article accepted.

Art. 31: To see if the Town will vote to authorize the Selectmen to dispose of the old Town records in a legal manner as prescribed by the State of New Hampshire. Article accepted.

Art. 32: To see if the Town will vote to discontinue winter maintenance only on a Class V road on Center Pond from Sawyer's to the end. Section 73 on State Road Map. Article indefinitely postponed.

Art. 19: To see if the Town will vote to make the Rescue Squad officially a division of the Stoddard Fire Department and to accept ownership of the rescue vehicle and related equipment, and responsibility for the operation thereof. Article accepted.

Art. 20: To see if the Town will vote to raise and appropriate the sum of \$1550.00 for the Stoddard Rescue Squad. Article accepted.

Art. 25: To see if the Town will vote to withdraw \$3500.00 for the Capital Reserve Fund for the purchase of two Scott packs, a portable radio and antenna and other equipment for the firehouse. Article accepted.

Art. 27: To see if the Town will vote to raise and appropriate the sum of \$2000.00 to be used as a Capital Reserve Fund for the Fire Department. Article accepted.

Art. 8: To see if the Town will vote to raise and appropriate the sum of \$8,000 for the maintenance of the Fire Department for the ensuing year. Article amended for the amount of \$8365.00. Amended article accepted.

Art. 3: To see if the Town will vote, in order to insure a high standard of conduct in the affairs of the Town of Stoddard; and in order to avoid any appearance of impropriety, to enact pursuant to RSA 31:39-A the following:

Conflict of Interest. NO official of any public body may participate in any deliberations of decision involving a relative in the line of Father, Mother, Stepfather, Stepmother, Son, Daughter, Husband, Wife, Brother, or Sister. On a Secret Ballot vote 88 Yes - 27 No. Article indefinitely postponed.

Art. 29: To see if the Town will vote to participate and support a regional solution to handling solid waste either by agreeing to accept a land-fill site in the town, providing cover material from that town, accepting an alternative operation in the town, or agreeing to whatever aspect of a regional solid waste operation appears to be sensible to serve the region so that a good cooperative regional solution will be a reality and a commitment until 7/1/83. Article accepted.

Art. 13: To see if the Town will vote to raise and appropriate the sum of \$22,000.00 for the maintenance of the Town Garbage Disposal Area for the ensuing year. Article amended to raise and appropriate the sum of \$4,700.00 for the use of the Keene Land Fill. Amended article defeated. Article accepted as read.

Art. 35: To see if the Town will vote to have the Selectmen appoint a committee of 5 persons, of which at least one will be a selectman. This committee will help the Selectmen in making a recommendation to a Special Town Meeting for the purchase of highway maintenance equipment or the contracting-out of highway maintenance service. Article accepted.

Art. 21: To see if the Town will vote to raise and appropriate the sum of \$15,000.00 to purchase a 1982 FWD one ton dump truck. Article tabled.

Art. 22: To see if the Town will vote to raise and appropriate the sum of \$8,000.00 to purchase a second hand dump truck. Article tabled.

Art. 23: To see if the Town will vote to raise and appropriate the sum of \$19,000.00 to purchase a new or used backhoe/loader and to use the present town loader as trade. Article tabled.

Art. 24: To see if the Town will authorize the Selectmen to dispose of the yellow truck as they see fit. Article Amended to read: To see if the Town will direct the Selectmen to obtain bids for the yellow and green truck and sell to the highest bidder. Amended article accepted.

Art. 4: To see if the Town will vote to raise and appropriate the sum of \$25,500.00 for Highways and Bridges for the ensuing year. Article accepted.

Art. 5: To see if the Town will vote to raise and appropriate the sum of \$8,000.00 for the maintenance of the Highway Department for the ensuing year. Article accepted.

Art. 34: To see if the Town will vote to raise and appropriate \$6,056.00 to resurface tar roads in the Town and to authorize the Selectmen to withdraw this amount from Revenue Sharing Funds. Article amended to read: **to maintain or resurface Town roads**, and to authorize the Selectmen to withdraw this amount from Revenue Sharing Funds. Amended article accepted.

Art. 33: To see if the Town will vote to rescind the vote whereby the Road Agent is appointed by the Selectmen and to have the Road Agent elected by ballot at regular Town meetings. BY PETITION - On a show of hands the Moderator declares that Art 33 be indefinitely postponed.

Art. 36: To transact any other business that may legally come before said meeting A resolution presented by the Town as follows: To request New Hampshire's United States Senators and Representatives to support a U.S. - Soviet Union freeze on the testing, production and deployment of nuclear weapons and of missiles and of new aircraft designed primarily to deliver nuclear weapons, with verification safeguards satisfactory to both countries. Resolution accepted.

Motion has been made and accepted to recess Town Meeting to April 20, 1982 7:00 P.M.

**Recessed Town Meeting #1 Town of Stoddard, N.H.
April 20th, 1982**

It was moved and seconded to reconsider Article 2.

Art. 2: Amended to read: To see if the Town will vote to raise and appropriate the sum of \$42,290.00 to defray Town Charges for the ensuing year. Amendment passes unanimously.

1st Amendment; Moved and seconded to read: To see if the Town will vote to raise and appropriate the sum of \$12,000.00 to purchase a used dump truck. 2nd Amendment: Moved and seconded to read: To see if the Town will vote to raise and appropriate the sum of \$12,000.00 contingent upon the Town not contracting out road maintenance. Moved and seconded to table motion and 2 Amendments passed unanimously.

Moved and seconded to recess the Stoddard Town Meeting to June 1st, 1982 at 7:00 P.M. at which time the Selectmen will present bids for road maintenance.

**Recessed Town Meeting #2 Town of Stoddard
June 1st, 1982**

Art. 22: On the floor with 2 Amendments

Moved and seconded Art. 22 pending amendments be indefinitely postponed. Passed unanimously.

Reports given on bids for Winter and Summer maintenance.

Respectfully submitted,
Joan Read
Town Clerk of Stoddard, N.H.

I certify that this is a true copy of the minutes of Town Meeting, March 9th, 1982 and Recessed Town Meeting, April 20th, 1982 and June 1st, 1982

TOWN OF STODDARD FIRE & RESCUE DEPARTMENT

This year Stoddard Fire & Rescue answered a total of 51 calls broken down as follows: **4 Structure Fires, 6 Chimney Fires, 9 Cover Trucks, 23 Rescue Calls, 5 Brush Fires, 1 Smoke Investigation, 1 Dumpster Fire, 2 Mutual Aid Calls.**

Members of our rescue Squad assisted in teaching an advanced First Aid Course which was held in Marlow, and resulted in 3 new members for the Squad. Two members are currently attending classes at Cheshire Hospital to become certified C.P.R. Instructors. Hopefully they will be able to offer classes in C.P.R. to people here in town, later in the year.

The Department sponsored a Fire Prevention & Safety Program at the Stoddard School during Fire Prevention Week in October. The children learned about escape routes from the home, fire hazards in the home and treatment of burns. Films and work projects kept the kids interested throughout the program.

We also put on a Halloween Party for the young people in Town. There were games, music and dancing and plenty of refreshments. A good time was had by all, young and old.

Thanks goes out to all those who donated to the Department this year. Special thanks to Land Contractors for plowing back snow banks last year so we could practice a Tanker Shuttle Drill for a mock fire near Duffy's Market. Units from Nelson and Antrim also joined us on the drill. Special thanks also go to the Faulkner Family for use of one of their buildings for a simulated house fire requiring rescue.

As always we would like to remind everyone that we provide chimney cleaning and cellar and well pumping services to townspeople. Arrangements can be made by calling Chief Don Fleming at **446 - 3987.**

*Don Fleming - Chief
Roger Wood Jr., Deputy Chief
Jim Pollok - Captain
Kathy Fleming - Rescue Captain
Brian Cahill - Lieutenant*

REPORT OF THE ANIMAL CONTROL OFFICERS

The following is a list of known unlicensed dogs in Stoddard since June , 1982:

Ruby Capen & Richard Doe	3 dogs
Dorothy Champney	3 dogs
Walter & Joanni Champney	1 dog
Jay Adams	2 dogs
Jeff & Debbie Duffy	2 dogs
Wilber Sprague	1 dog

To the best of our knowledge, this a complete and true listing of the dogs we have been trying to get owners to license since June. Since June, there are new dogs, new residents, etc., and we have been keeping track of them for the upcoming year.

In 1982 we acted on 42 calls consisting of:

2 cases of neglect	3 cows running at large
1 case of abandonment	4 cats abandoned
3 dead dogs hit by cars	3 local dogs missing
1 dead cat hit by car	21 stray dogs
1 chicken killed by stray dog	3 local dogs running loose

We wish to sincerely thank the resident of Stoddard for keeping their animals within the confines of their own property. Your support of the leash law is overwhelming and makes our job so much easier by realizing how much you care about your animals.

Cynthia L. Bingham & Joan Zelasny
Animal Control Officers

TOWN OF STODDARD REPORT OF THE PLANNING BOARD

Members of the Planning Board at this time are Brian Cartwright, Chairman, Charles Fosberry, Secretary, Lucy Hill, Frances Runrill, Laura Fletcher, Jane Abert and Harry Power, Selectmen Representative.

With a fairly large proportion of new members, and with the end of a one year moratorium on subdivision, the main focus of the Board's attention during the Spring of 1982 was subdivision; members familiarized themselves with the Town's subdivision regulations, revised in February 1982, and worked to establish an orderly procedure for processing subdivisions. Subdivision activity has been moderate over the past year, with only a few minor subdivisions and no major subdivisions.

In addition to subdivision regulation, two other important areas of responsibility for a Planning Board are Master Planning and Zoning. Some work has been done in past years on a Master Plan, and this effort should be brought up to date. At a meeting with a representative of the Southwest Regional Planning Commission, the Board was advised that the consulting work which that agency would contribute to a Master Plan would require at least eighteen months time and our decision was that there was a more immediate need for a comprehensive zoning ordinance. Through the summer contacts were made with officials in local towns, and townspeople were surveyed by telephone for their ideas and opinions. The zoning ordinances of local towns were studied and compared and a first proposal was drawn up and formally presented in public hearing on August 25. The ordinance proposed three zones or districts -Lakeside, Residential and Rural, corresponding to the existing types of development in the Town. The ordinance also proposed a building permit process, administered by the Selectmen, and a review procedure for proposed commercial and industrial uses of land.

During the fall the ordinance was revised and reorganized into its second and final version, which will be voted on by the Town on March 8. The Residential district was expanded to include more land on centrally located Town roads, a provision for rear lot development was dropped because of apparent conflict with other regulations and the building permit section was strengthened by provision for fines for violation.

I would like to here thank members of the Planning Board for their willingness to give many hours of their time in meetings for discussion and careful consideration of the proposed zoning ordinance. It is hoped that there will be an ongoing public involvement in the Board's activities, so that the Planning Board can be responsive to the concerns of townspeople, and those townspeople in turn can contribute to the planning process.

Respectfully submitted,
Brian Cartwright

LIBRARIAN'S REPORT

The library was open from 7 to 9 P.M. Thursday evenings during 1982. It has also been opened for use by the school children.

More time was spent analyzing the collections this year concerning use, need, and usefulness. Consequently, increased weeding was done and we believe that the quality of the collection has been improved.

Cataloging of the collections has finally begun. The materials will be much easier to use when this project is completed.

The library now offers a federal income tax information service. Form 1040 packets, reproduceable copies of all schedules, instructional cassette tapes, and nearly 750 pages of detailed instructions are available.

We extend sincere thanks to all those people who made donations during the year.

Alan F. Rumrill
Librarian

ANNUAL

SCHOOL REPORT

TOWN OF

STODDARD

NEW HAMPSHIRE

STODDARD SCHOOL DISTRICT

SCHOOL WARRANT

To the inhabitants of the School of Stoddard qualified to vote in District Affairs:

You are hereby notified to meet at the Stoddard Town Hall in said District on the third day of March, 1983 at seven thirty o'clock in the evening to act upon the following subjects:

1. To choose by non-partisan ballot the following School District officials:
 - A. Moderator for the ensuing year.
 - B. Clerk for the ensuing year.
 - C. Treasurer for the ensuing year.
 - D. One School Board Member for the ensuing 3 years.
 - E. Auditor for the ensuing year.
2. To determine and appoint the salaries of the School Board and fix compensation for any other officers or agents of the District, or to take any other action in relation thereto.
3. To hear the reports of Agents, Auditors and Committees or Officers chosen and pass any vote relating thereto.
4. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries of school District Officials and agents and for the payment of statutory obligations of the District or to take any other action in relation thereto.
5. To see if the District will vote to raise and appropriate the sum of \$4,485.00 to add to the 1982-83 Fiscal appropriation for unanticipated tuition and transportation cost, or to take any other action in relation thereto.
6. To see if the District will vote to establish a School Lunch Program as legislated under RSA 189:11a and to raise and appropriate the sum of \$3,000.00 to defray the cost of implementing, equipping and operating the program for the 1983-84 school year, or to take any other action in relation thereto.
7. To see if the District will vote to authorize the School Board to apply for, accept and expend, without further action of the School district meeting, money from any source which becomes available during the fiscal year upon the following conditions:
 - A. The money must be used for the legal purposes for which the School District can appropriate money.

B. The School Board must hold a public hearing on the action to be taken.

C. It shall not require the expenditure of additional School District funds.

This action is taken pursuant to the authority of RSA 198:20b, or take any other action in relation thereto.

8. To transact any other business that may legally come before said meeting.

Given under our hands at said Stoddard this day of 1983.

AUDITORS' CERTIFICATE

This is to certify that we have examined the books, vouchers, bank statements and other financial records of the treasurer of the school district of Stoddard of which the above is a true summary for the fiscal year ending June 30, 1982, and find them correct in all respects.

Mary L. Call, Auditor

STODDARD SCHOOL DISTRICT

PTA REPORT

The Stoddard PTA meets on the first Wednesday of the month at 7:30 p.m. at the school. Officers for the school year beginning in September are: President - Debbie Colman, Vice President - Bev Powers, Secretary-Treasurer - Vici Marshall.

PTA sponsors many activities during the course of the year. Our fund raisers this year have included a bake sale at Town Meeting, an April Pot Luck Supper, honoring Lucy Hill, refreshments for both Town Meeting Extensions, a food sale on Primary Day, a mini buffet, and Bake Sale on Election Day and a Silent Auction at Town Hall in November.

All this baking and cooking enables us to provide some very special things for our kids. PTA sponsors the Annual Last Day of School Picnic, provides prizes for the Prize Speaking Contest in the Spring and sponsors a Halloween Party for elementary and preschool children in October. Our largest project is the Annual Christmas program when we all get to be Santa's Helpers. Santa brings a gift for each elementary and preschool child in town.

This year PTA has been able to purchase a swing set for school. We are currently buying a hot dog steamer to help with our various fund raising activities. "Hot Dog Day" has been popular at school, and we are to continue with the kids planning and cooking nutritious "go withs" and desserts.

Many thanks to all the people who have helped so much during the past year. The Red Cross, MacDonalds, the entire PTA membership and a good part of the rest of the town have all contributed generously.

I want to stress that PTA membership is not inclusive to parents and teachers. We welcome anyone who is interested in the welfare of our children.

Debbie Colman, PTA President

SUPERINTENDENT OF SCHOOLS' ANNUAL MESSAGE

To the Citizens of the Stoddard School District

In a September, 1982, Gallup polls 84% of those surveyed indicated that a strong educational system would be the best guarantee of a strong America in the future. The National Opinion Surveys on Public Confidence now show that education is listed behind only medicine and science as an institution in which people have a great deal of confidence. These are but two of many key signs that the more negative fall out of the Vietnam/Watergate Era is losing its hold and that our schools have become more effective in meeting the public's expectations.

One of the most important developments in our local schools has been the significant and continued professional growth and improvement of our whole instructional staff. Their growing skills, sense of accountability, professionalism, and responsiveness to the increasing expectations of the School Board and administrators is noticeable and important. The teacher and aides of the Stoddard School are to be commended for their outstanding contributions in making excellence a standard that is being reached on a more frequent basis than ever before.

The people of Stoddard have continually demonstrated their strong and uncompromising support of quality education. Your School Board members have been equally outstanding in their leadership and support they have provided to both administrators and staff in translating the community's desires into reality.

Significant efforts have been made throughout the budget development process to both maintain the general excellence of our programs and to make every effort possible to restrict the financial demands upon the community.

Regretfully, at the time of the writing of this report, it appears that our efforts to hold the size of the budget down are not meeting with the hoped for success. Larger numbers of students have increased the funds needed for payment of tuition bills. The presence of more students in isolated areas of Stoddard and the general increases in the cost of providing transportation have compelled increase in the pupil transportation account. The cost of Stoddard's share of the Unit #24 Special Education Program has increased, largely due to changes in Stoddard's proportion of the Unit's equalized valuation figures.

In spite of these largely uncontrollable factors, every effort is being made to hold increases in budget to the most reasonable level possible.

The following are but a few of the examples that are available of the successful efforts of staff to wisely use the financial support you provided in the past year.

- Barbara Cutting's use and development of the sequential physical education program was recognized as one of Unit #24's outstanding educational developments for the year. Mary Conklin provided invaluable volunteer assistance to this program.
- Computer education has been successfully introduced.
- A great deal of individual attention is being provided each student to enable them to learn and grow as much as possible.

In closing, it is my pleasure to indicate that Barbara Cutting has received Board commendations through the regular teacher evaluation system as Outstanding Teachers for the 1981-82 school year.

The continued support of Stoddard's citizens for quality education is appreciated.

Respectfully submitted,
Thomas J. Watman
Superintendent of Schools

STODDARD SCHOOL DISTRICT

School Board's Certificate

This is to certify that the information contained in this report was taken from official records and is complete and correct in the best of my knowledge and belief. The accounts are kept in accordance with Section 24 of Chapter 71 of the revised Statutes Annotated, and upon forms prescribed by the State Tax Commission.

Thomas J. Watman
Superintendent of Schools

Suzanne Bernier
Philip Hamilton
Gordon Garnett
The Stoddard School Board

STODDARD SCHOOL DISTRICT TEACHER'S REPORT

The educational program stresses Math, Metrics, Health, Social Studies, Science, Physical Education, Music and Art. Our Language Arts program has the following components: Reading Comprehension, Grammar, Structural Skills, Phonics, Spelling, Handwriting, Capitalization, Punctuation, Dictation, Creative Writing and Reading for enjoyment. The manner in which the students are taught is varied. Some subjects are taught in small, on grade level groups, while others are done individually and independently. Occasionally, we work in large mixed grade level groups.

Some of the people who have contributed to the success of the school this past year are: Paraprofessional Aides, Lucy Hill, Ann Fritz and Robin Dunham; Music Teacher, Karen Desrosiers; Nurse, Gail Johnson; Volunteer Physical Education Teacher, Mary Conklin; Volunteer Art Teacher, Beverly Power; Volunteer Computer Specialist, Art Ude; Custodians, Joan Zelasny and Anette Reade; Bus Drivers, Joan Read, Judy Hayes, and Diane Halter. Many thanks goes to the P.T.A. for helping with and funding some of our special programs.

We have continued with the traditional programs of the past year. In the Spring, Prize Speaking and the Memorial Day Services were held. We had our "End of the Year Picnic" at Granite Lake in June. Since school has started we have had our Annual Halloween Costume Parade and Christmas Program. In June of 1982 our special field trip was to the Boston Museum of Science. Everyone enjoyed this, including the many parents who chaperoned. We even had a dad go this year.

In cooperation with the Guidance Department at Keene Junior High School, several programs were planned for the sixth graders. These included a slide presentation, a question and answer period, a visit to Junior High School and a special meeting to acquaint parents with the Junior High School.

Last May we did the post testing with the Kirchner Physical Fitness Test as part of our Title IV Grant. I'm happy to report the total point gain for the school was 844, the lowest individual gain was 11, the highest was 64 with an average gain per pupil of 40. In June the New Hampshire Department of Education sponsored a conference on "Successful Practices in New Hampshire Schools". We were chosen to participate from over 300 nominations. Mrs. Fitz and I were quite proud to share our Sequential Physical Education for the Rural School with educators from New Hampshire. This program has become an integral component to our school.

With the help of Dr. Linda Morley, Professor of Folklore at New England College we were able to obtain a \$400.00 matching grant from the New Hampshire Commission on the Arts. This is part of the "Artist in the School" program. The children enjoyed the many artists and folk specialists who visited us. We invited Munsonville School to come to one of our assemblies. We traveled to Alstead and spent a day making soap. A trip to Concord combined a visit to the Phenix Gallery to see the "No Foot, No Horse" exhibit with a tour of the state house. In June much excitement abounded when we all participated in a "Bread and Butter Day" and a "Homemade Ice Cream Day". We're in hopes of continuing with this next spring.

Several special programs were held at school. Slide presentations were given by I.Y.F.E. students from Cheshire County Extension Service. We participated in the Classroom Flouride Mouth Rinse Program along with brushing and flossing sponsored by the Bureau of Dental Health. The older students watched a six part movie on American Enterprise. The students did special projects on energy, the Indians of America and early explorers. Bob Belle and Mike Zettek, interns from Antioch College worked with the students.

Last spring brought several new and exciting things to our school. In May we purchased an Apple II plus Computer. The older students took a Computeronics course and learned simple programming while younger students used disks for drill. Art Ude has been very generous in sharing his expertise with us, thanks Art. In June all the children were excited when Gordon Garnett put up the new swing set purchased by the P.T.A. In May we held our first overnight for grades 3 to 6. Bob Belle did a wrap up to his Astronomy project that evening after which a camp fire was enjoyed by all. The next morning the school was transformed into a kitchen as small groups of students cooked bacon, pancakes and set the desks for breakfast. It was very successful and may be repeated through popular demand.

Again, a special thanks goes to the Stoddard Fire and Rescue Department. Several members gave up a day of work to visit us during Fire Prevention Week. First, they surprised us with a fire drill, then they spent the entire morning working with the children. We saw a film and had an abundance of fire related activities. Joe Sarcione passed out hats and packets to everyone. As a result we are all more aware of fire safety. Thank you.

It has been a good year at the James M. Faulkner Elementary School. As most of you know, Lucy Hill retired after having been associated with the school for over 25 years. The best of luck to you in your retirement, Lucy, thank you for your years of service. I would like to thank the parents, P.T.A. and townspeople for their continued interest and support. We are proud of our school and the education that goes on there. Please feel free to come and visit us.

Barbara K. Cutting

TOWN OF STODDARD SCHOOL BOARD REPORT

The 1982 - 83 school year began with the usual additions to our student roster, both at the elementary and junior/senior high school levels. The board was faced with transportation problems in remote areas of town. The town of Washington picks up Stoddard's children on what is known as the Valley Road area, off the back side of Highland Lake. However, another feeder bus driver was hired for the so called Shin Bone Shack area, which is located on the Sullivan end of Stoddard. In both areas, we have elementary, junior and senior high school students needing daily transportation to meet our regular bus pick-ups.

The board welcomes Mrs. Robin Dunham, our teachers aide who works primarily with the first and second graders.

The addition of the Apple II Computer to the elementary school has proven to be a great asset and a unique teaching tool. The children who are working at a particular grade and work level are given computer time accordingly. Head Teacher, Mrs. Barbara Cutting has plans to bring the computer into other learning areas, i.e., health, social studies, english, reading, etc..

The board would like to take this opportunity to thank Mr. Arthur Ude, of Stoddard for the many hours of volunteer service he has given to the school children in connection with the computer, and the course "Computeronics" which some children are involved in.

We would like to thank the other volunteers who work with the elementary school children - Mary Conklin, for her work in physical education activities, and Vicki Marshall for her recent work with the children learning about history of Stoddard, state government, etc.

The Stoddard board continues to receive minutes and other information packets from all of the standing committees of the Keene Board of Education, i.e., Finance, Education, Communications, Personnel and Building Facilities. The Keene board voted to continue A.R.E.A. representation to these committees.

With reference to the building and grounds - there was a need to put crushed stone around the foundation of the building, to hopefully eliminate the peeling paint on the lower clapboards. The building will need a complete paint job in the not too distant future. The new swings, purchased by the P.T.A. were installed, with gravel put under all gym equipment to help prevent the heavy mud condition that existed.

A barway has been installed on the school road which we hope will act as a deterrent to future acts of vandalism to the building and property. Keys to the barway have been given to the appropriate town departments.

The board had an outside reset control installed on the furnace. This automatically adjusts the water temperature in the boiler to outside temperature. On mild days the boiler temperature is reduced. Depending on the outside temperature, the water in the boiler can be anywhere from 80 to 180 degrees. Excess heat in the boiler-room has been reduced. The expected fuel savings are about 25%.

Respectfully submitted,
Philip Hamilton, Sue Bernier

STODDARD SCHOOL DISTRICT

NURSE'S REPORT

The School Health Program for the year 1981 - 82 provided an assessment of each student which is essential for a comprehensive health appraisal. Screening tests included height and weight measurements, vision and hearing tests, blood pressure, ocoliosis evaluation and a cumulative health history. Parents were notified if students needed additional evaluation.

To fulfill their immunization requirements, four students were included in the Immunization Clinic held in Hillsborough.

Educational information was presented during the academic year in the areas of safety, nutrition, drugs and alcohol, personal hygiene and disease prevention.

Gail Johnson, R.N.
School Nurse
